The Ranger Tug 29 incorporates many large yacht features that will be appreciated by the experienced skipper. A convenient pilot house door at the helm opens directly to the outside deck for quick access to deck and dock lines. Bow and stern thrusters greatly enhance maneuverability.

The forward stateroom features an island berth with separate head and shower. Combined with the mid ship stateroom with its bifolding privacy door, you can comfortably sleep six. The full featured galley makes entertaining easy for short trips and longer cruises.

A 15 knot cruising speed gives you the speed to fight current and get to your destination fast while providing fuel economy that is nothing short of amazing. The added versatility of being easily trailered, gives you access to some of the most remote cruising areas.

25802 Pacific Hwy. South Kent, WA 98032
